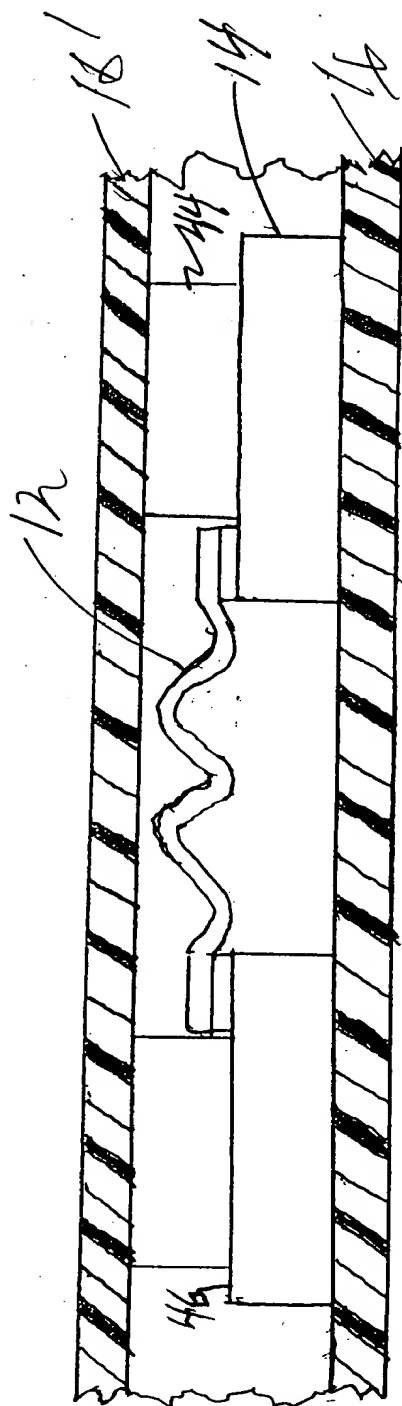

FIG. 11

A hand-drawn diagram of a long, thin rectangular object, possibly a book or a piece of paper. The object is oriented horizontally. In the center, there is a section with a wavy, textured appearance, labeled with the number '12'. At the right end, there is a small rectangular protrusion labeled '52', and below it, a larger rectangular area labeled '50'. The drawing is simple, with black outlines and some internal shading.

Hand-drawn sketch of a long, narrow structure, possibly a ship's hull or a long building, with a small protrusion at the top center. The drawing includes vertical lines along the length, suggesting internal divisions or structural elements. On the right side, there are handwritten numbers: 42, 16, 14, 12, 52, and 50, which appear to be measurements or counts.
